

*Celebrating America's National Philosopher*

# The Collected Works of John Dewey

*A Series from Southern Illinois University Press*

**Jo Ann Boydston, Series Editor**

The Collected Works of John Dewey, 1882-1953, thirty-seven volumes divided into early works, middle works, and later works, plus index, includes all the books and articles published during John Dewey's intellectual career from 1882 to 1952 as well as selected personal correspondence and posthumous publications. This definitive series makes accessible the distinctive thought of America's national philosopher.
